3485 Southampton Drive
Jeffersonton, VA 22724

CM Contracting & Consulting Inc. is a small business certified leading construction and renovation firm providing comprehensive construction solutions for our clients while specializing in turn-key projects for both public and private sectors.

With a focus on sensitive compartmented information facility (SCIF) construction and security door installations to meet ICD705 specifications, our company has established a reputation for excellence in delivering high-security solutions. We proudly serve Federal, State, and local municipalities with a commitment to quality and precision.

Differentiators

- Commitment to Security Compliance: We prioritize security compliance in all our projects, ensuring that our clients' sensitive information and assets are protected.
- Versatile Construction Solutions: Our diverse capabilities allow us to deliver a wide range of construction services tailored to meet the unique needs of each project.
- Rapid Response and Execution: We excel in providing efficient and timely construction solutions, meeting project deadlines and exceeding client expectations.
